

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

JPM Sterling Liquidity A (acc.)

a Share Class of JPMorgan Liquidity Funds – Sterling Liquidity Fund

a Sub-Fund of JPMorgan Liquidity Funds

LU0070177588

The management company is JPMorgan Asset Management (Europe) S.à r.l.

Objectives and Investment Policy

Investment Objective: The Sub-Fund seeks to achieve a return in GBP in line with prevailing money market rates whilst aiming to preserve capital consistent with such rates and to maintain a high degree of liquidity.

Investment Policy: The Sub-Fund will invest all of its assets, excluding cash and deposits, in short term GBP-denominated debt securities.

The Sub-Fund may have exposure to investments with zero or negative yields in adverse market conditions.

The weighted average maturity of the Sub-Fund's investments will not exceed 60 days and the initial or remaining maturity of each debt security will not exceed 397 days at the time of purchase.

Debt securities with a long-term rating will be rated at least "A" and debt securities with a short-term rating will be rated at least "A-1" by Standard & Poor's or otherwise similarly rated by another independent rating agency.

The Sub-Fund may also invest in unrated debt securities of comparable credit quality to those specified above.

The Sub-Fund aims to maintain a "AAA" rating, or equivalent, assigned by at least one rating agency.

The Sub-Fund may at any time enter into Reverse Repurchase Transactions with highly rated financial institutions specialised in this type of transaction. The collateral underlying the Reverse Repurchase Transactions will also comply with the above credit quality restrictions, although no maturity constraints will apply.

This Sub-Fund qualifies as a "Short-Term Money Market Fund" in accordance with ESMA guidelines reference CESR/10-049 (as amended from time to time) and therefore will comply with these guidelines. However, additional requirements are disclosed in the investment policy.

Redemption and Dealing: Shares of the Sub-Fund may be redeemed on demand, with dealing normally on a daily basis.

Management Discretion: The Investment Manager has the discretion to buy and sell investments on behalf of the Sub-Fund within the limits of the Objective and Investment Policy.

Distribution Policy: This Share Class will not pay dividends.

Risk and Reward Profile

The above rating is based on the historic volatility of the Net Asset Value of the Share Class over the last five years and may not be a reliable indication of the future risk profile of the Share Class.

The risk and reward category shown above is not guaranteed to remain unchanged and may change over time.

A Share Class with the lowest risk rating does not mean a risk-free investment.

Why is this Share Class in this category? This Share Class is classified in category 1 because its Net Asset Value has shown very low fluctuations historically.

Other material risks:

- The Sub-Fund's objective may not be achieved in adverse market conditions and Shareholders may get back less than they originally invested.
- In adverse market conditions, the Sub-Fund may invest in zero or negative yielding securities which will have an impact on the return of the Sub-Fund.
- The value of debt securities may change significantly depending on economic and interest rate conditions as well as the credit worthiness of the issuer. Issuers of debt securities may fail to meet payment obligations or the credit rating of debt securities may be downgraded.
- The credit worthiness of unrated debt securities is not measured by reference to an independent credit rating agency.
- The counterparty of Reverse Repurchase Transactions may fail to meet its obligations which could result in losses to the Sub-Fund.
- Further information about risks can be found in "Appendix V - Risk Factors" of the Prospectus.
