Class: D, Share: X (Accumulation) ISIN: LU0900382812

This SICAV is managed by BG FUND MANAGEMENT LUXEMBOURG S.A.

Objectives and investment policy

The Fund seeks an increase of the value of your investment over a long term by participating in the high economic growth of Africa and Middle East. The Fund is actively managed and it has no reference benchmark.

The Fund essentially invests in target funds invested in stocks of companies located in the Africa and Middle-East region or deriving the major part of their revenues from this region.

The Fund may use financial derivatives to protect its portfolio against unfavorable market or currency fluctuations. The Fund may also use futures contracts to reduce other risks or to produce more revenues.

The Fund is open-ended. You may redeem shares of the Fund on any Luxembourg business day.

The Share Class makes no dividend payment.

This indicator represents the annual historical volatility of the Fund over a 5-year period. Its aim is to help investors understand the uncertainties attached to gains and losses that may have an impact on their investment.

The Fund's exposure to emerging equity markets and to foreign currency risk explains its classification in this category.

Historical data such as that used to calculate the synthetic indicator cannot be considered as a reliable indication of the Fund's future risk profile.

The risk category associated with the Fund is not guaranteed and may change over time.

The lowest risk category does not mean "risk free".

Your initial investment is not guaranteed.

Significant risk(s) for the Fund not taken into account in this indicator include the following:

Liquidity Risk: The Fund is invested in markets that may be affected by a decrease of liquidity. Such market conditions would impact the prices at which the Fund Manager opens and closes positions.

Counterparty Risk: The Fund may realise losses should a counterparty fail to meet its contractual obligation, especially in the case of derivatives traded Over-The-Counter (OTC).

Concentration Risk: To the extent that the Fund's investments are concentrated in a particular company, the Fund may be susceptible to losses due to adverse occurrences affecting that company.

Emerging market Risk: The Fund invests in developing overseas markets which carry a higher risk than investing in larger established markets. Investments in emerging markets are likely to experienced greater rises and falls in value and there may be trading problems due to a lack of efficiency, legal supervision and/or liquidity.

For more information about the risks of the Fund, please refer to the risk section of the prospectus.
