### Objectives and investment policy

The investment objective of the Fund is to maximize returns by investing in a portfolio of equities issued by companies that have at least 25% of their revenues derived from sustainability initiatives. The investment policy set for the Fund is to invest predominantly in equities issued by companies focused on the following seven Target Sectors:

- Advanced Mobility
- Energy & Industrials
- Power & Energy Infrastructure
- Air & Environment
- Renewable Energy
- Energy Efficiency
- Water

The equities invested in by the Fund will be listed or traded on Recognised Exchanges. The Fund will utilise a broad approach to security selection, with the investable universe spanning more than 400 publicly traded equities issued by high quality companies focused on the Target Sectors and located in developed markets that have at least 25% of their revenues derived from sustainability initiatives, such as energy efficiency, renewable energy, waste management, clean transportation, industrial efficiency etc. Geographic exposure will be predominantly to high quality companies focussed on the Target Sectors located primarily in North America, in Europe and in Asia-Pacific.

The Fund may also hold or maintain cash deposits (denominated in such currency or currencies as the Sub-Investment Manager may determine) and/or cash equivalents (such as short term commercial paper, certificates of deposit, treasury bills, and fixed or variable rate commercial paper listed or traded on one or more Recognised Exchanges) and subject to the conditions and within the limits laid down by the Central Bank. The amount of cash and/or cash equivalents that the Fund will hold will vary depending on the Sub-Investment Manager's timing of adding or removing positions to or from the Fund. Investment in the foregoing ancillary investments may be made during abnormal market conditions or pending re-investment in any of the Target Sectors asset classes disclosed above. The Fund will not invest in such instruments that are unrated or rated below BBB- (or equivalent).

Investors can buy, sell or switch shares weekly by submitting an application to the Fund's administrator before 4 p.m. (Irish time) falling three business days prior to the relevant dealing date.

- **Recommendation:** This Fund is appropriate for investors seeking long-term capital appreciation who are prepared to accept moderate to high volatility.

The Sub-Fund does not intend to pay a dividend.

**For full investment objective and policy information please refer to the prospectus.**

### Risk and reward profile

The indicator above indicates the position of the Fund on a standard risk/reward category scale.

The risk/return indicator suggests the relationship between risk and potential returns when investing in the Fund.

The Fund's risk level is classified as category 5, indicating a higher than average risk but with the potential for higher reward given that the focus is on the Target Sectors and that the Fund will typically hold between 25 to 35 positions. The Fund is expected to have a high volatility due to its investment policy.

Historical data, such as is used in calculating the synthetic indicator, may not be a reliable indication of the future risk profile of the Fund.

The risk and reward category shown is not guaranteed to remain unchanged and the categorisation of the Fund may shift over time.

The lowest category does not mean a risk-free investment.

The Fund may also be exposed to the following risks which are not adequately taken into account by the risk indicator above:

- **Liquidity Risk:** The Fund may not be able to sell an investment at the time and price that is most beneficial to the Fund and may be unable to raise cash to meet redemption requests as a result.

## Charges

The charges are used to pay the costs of running the Fund, including the costs of marketing and distributing the Fund. These charges reduce the potential growth of the investment.

One-off charges taken before or after you invest	
Entry charge	5.00%
Exit charge	up to 2.00%

The Directors do not currently intend to impose the entry charge. This is the maximum percentage which might be deducted from your capital commitment to the Fund. In some cases, you might pay less. You can find out the actual entry and exit charges from your financial adviser or distributor. The entry charges are deducted before your capital is invested.

Charges taken from the fund under certain specific conditions	
Performance-related fees above a hurdle	10.00% on the outperformance of the MSCI ACWI

Charges taken from the fund over a year	
Ongoing charge	Class F Founder EUR: 1.32% Class F Founder USD: 1.32%

This will include reimbursement to the Sub-Investment Manager for third party research charges, at a rate of 20 bps where Fund AUM is up to \$50m, 15bps where Fund AUM is \$50-100m, 10bps where Fund AUM is \$100m-\$200m and at 6bps where Fund AUM exceeds \$200m.

You can obtain further information about these charges, in the "fees and expenses" section of the prospectus which is available from the administrator, Société Générale Securities Services, SGSS (Ireland) Limited at 3rd Floor, IFSC House, IFSC, Dublin 1.

The ongoing charges figures are based on annualised expenses for the year ending 29 March 2019. These figures may vary from year to year. The ongoing charges figure shown do not include transaction costs incurred when the Sub-Fund buys or sells assets.
